Hello Tamara,

I can get a checklist ready for you no problem. I would need to know the funding account name and number for this purchase. Once I get the account information I can prepare a checklist for you.

Let me know if you have any questions.
Kind regards.

Larry,
If you think this will suffice, I'm on board. Will you please ask that Jeremy forward a request for Pretrial to be approved to purchase this item, thanks.

Hi Tamara,

Here is the quote from LCIS.

Larry

>>> Jeremy Burnat 10/9/2013 1:29 PM >>>
Hello Larry,

Please see the attached. 17" laptops get pricey fast. DP Board is not necessary if it is below 7500 dollars. It would need to be approved by the directory of LCIS. Review the specs and let me know. Hard drives mandatory 7200 RPMs. 17" laptops have a real video card increasing the price. Add the other items such as warranty and computrace it adds up.

Hi Jeremy,

Pretrial would like to buy a new laptop to replace an 8 year old one in booking. Could we get a quote for one please. They would like it to be a 17 inch one. No other special requirements on our end. It would also need connected to the wifi connection currently set up at the jail. Jason set the wifi up and it's has a hidden ssid. Also, would this have to go through the DP Board?

Thanks,

Larry
